POSTGRADUATE OPPORTUNITY AVAILABLE AT THE SOUTH AFRICAN GRAPE AND WINE RESEARCH INSTITUTE (SAGWRI) FOR 2023

The following project is available for a MSc-level study from November 2022, for a suitable student with Viticulture/Botany background.

Project Title: Berry characterisation in *Vitis vinifera* L. Chardonnay and Pinot Noir under different climatic conditions.

Project description: This study forms part of a trilateral international project in three new world wine producing countries (South Africa, Belgium and China). The overall aim of the project is to characterize grapevine functioning under altered meteorological conditions in cool climate Chardonnay and Pinot Noir production in South Africa. Chemometric modelling will be used to define the meteorological and grapevine characteristics under South African conditions.

Contact person for the project: Dr Erna Blancquaert

Please send a CV, as well as a cover letter to ewitbooi@sun.ac.za by 16 September 2022 to indicate your interest in this opportunity.
