POSTGRADUATE OPPORTUNITY AVAILABLE AT THE SOUTH AFRICAN GRAPE AND WINE RESEARCH INSTITUTE (SAGWRI) FOR 2023

The following project is available for a MSc level study from 2022, for a suitable student in wine making/biotechnology /food science background.

Project Title: Profiling South African Shiraz wines

Project description: This project will investigate the sensory profile of a large number of South African Shiraz red wines. These wines will include award winning wines, as well as those originating from different South African areas. Free description will be used to characterize these wines, which will be done in collaboration with a large number of winemakers from commercial wineries. Data analyses of the free description results will have to be performed by the candidate. This project might also lead to a possible aroma wheel being generated for South African Shiraz wines.

Contact person for the project:

Prof Wessel du Toit

Please send a CV, as well as a cover letter to wdutoit@sun.ac.za by 30 September 2022 to indicate your interest in this opportunity.

General contacts for SAGWRI:

Prof MA Vivier: Interim Director of SAGWRI
